News travels fast, so you probably all know about this by now, but for those who don't – Waltz of the Toreadors, which was to be our Autumn production has been postponed and the Spring production 'Out of Sight ... Out of Murder' has been brought forward to fill the gap.

Jennie is pleased to announce that all the parts have been filled by willing actors at very short notice! and that all the cast have been found within our membership (or past membership). Rehearsals started this week with the cast having to work hard as there are only 7 weeks until the performances. First night will be November 22nd and the play runs until 24th. COMMITTEE NOTES

As a result of the note from George in last months Newsletter,

- the committee will be updating the job profile of the Production Manager to include the need to ensure all the cast in a production are members of APS.
- the Newsletter will include an outline of any future plays along with details about the characters involved. This will be well in advance of the auditions.

In order to ensure all members know about any last minute changes to programmed events, the committee now has a rota so that those members not on email will be contacted by phone.

FUTURE PRODUCTIONS

Waltz of the Toreadors, directed by Donald Warren-Knott will now be staged during Spring. Donald still needs a leading man to play the General. There will be more info on this in next months Newsletter.

Please note that March 5th 2008 as shown in the Programme, is a 'Directors' Meeting'. If you would like to direct a play or have a particular play in mind, please keep this date free and come along. We have to plan our future productions, so please don't be shy, come along with your ideas. It is your society and we need your support and abilities to make sure we have future productions.

From the Editor, Elaine

For those of you who have received their Membership Card and Programme, if you are wondering about Charles' new title – I have to own up to that – not sure how it happened as I am sure it wasn't there when I hit the key to print them out! Similarly, the additional letters after Jim Donnelly's name is another mysterious occurrence – however feel free to send me your suggestions for what the letters stand for!

As always, if you would like to include anything in next months Newsletter please send it to me at elaine@grumpyhaggis.com , or give me a ring – if I am not there, I will call you back. This includes anything else going on in Sherborne that would be of interest to APS members such as Artslink, performances at the Digby Hall or the Boys School.

I look forward to hearing from you.

Elaine
