FROM THE CHAIRMAN

I expect some of you have heard on the news what is happening with Sherborne House. Here is an update and good news from Dorset County Council.

"Our alternative proposal of the land south of Paddock Gardens, however, has much to recommend it. A new purpose-built community arts centre would be more financially achievable, and more likely to win the support of the wider community. It would also provide a much-needed base for groups such as Artslink, the Amateur Players of Sherborne and the local University of the Third Age."

This means we will have to vacate our present clubroom and find temporary accommodation until the new arts centre is built. I will be able to give you more news about this in the next Newsletter.

OUT OF SIGHT, OUT OF MURDER

An author, Peter Knight, is sent by his agent to a remote and gloomy old mansion in Vermont to complete his latest book and reach his publisher's deadline. He has thought of the characters he wants for the mystery he is writing but has writer's block. A violent storm rages outside and the old mansion is struck by lightning. To Peter's amazement all his characters come to life – they have different ideas of how the book should be written and murder is on their minds.

a break in rehearsals!

As you can see from the above picture, rehearsals are going well and the cast think Jennie is a wonderful director!

Performances are in the Digby Hall on 22nd, 23rd and 24th November.
